COURSE FAMILIARIZATION & TIMING

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only.

A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

OBSTACLES

Obstacles will meet the specifications for obstacles in the current edition of the *Regulations for Agility Trials*. All classes will take place indoors on soccer turf surface. Ring size will be 83' x 120'

Class Changes Effective January 1, 2020

Entering For Exhibition Only (FEO)

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
  Toys must be non-audible
  Toys may not leave the handler's hand
  Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction.

Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.

- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

HEIGHT DIVISIONS

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day
Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.
Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. If a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Are You Entered In The Right Height?

	PREFERRED	Height at Withers
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers. Regular Dogs may not be entered in this height if they are 22 inches and under.
24C"	n/a	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

- All Measurements Are Effective Immediately

Exception: Challenge Measurements to Permanent Jump Height Become Effective when Challenge Measurement Process is Complete (see Regulations)

- Dogs Entered in Preferred Classes Must Run in measured Height Division Must be moved up or down to proper height
- Are You Entered in The Right Height? The Responsibility Is Yours.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners Program℠** may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

SIGNATURE of owner or his agent duly authorized to make this entry.
