VOLUNTEERS

OF COURSE WE NEED YOUR HELP!

Exhibitors should watch for an email after the closing to sign up online via a Google.doc form! Thanks!

A link to sign up to work at the trial will be sent out to entered competitors at a later date.

Workers will receive vouchers for future entries.

OBSTACLES

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. A breakaway tire may be available and used for this trial. All classes will take place indoors on a dirt surface. This trial will be held indoors, in two dirt rings, run concurrently.

ARMBAND STICKERS WILL NOT BE USED FOR THIS EVENT.

HEIGHT DIVISIONS

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog *before* its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores. **Are You Entered In The Right Height?**

	PREFERRED	Height at Withers
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers. Regular Dogs may not be entered in this height if they are 22 inches and under.
24C"	n/a	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

• All Measurements Are Effective Immediately

Exception: Challenge Measurements to Permanent Jump Height Become Effective when Challenge Measurement Process is Complete (see Regulations)

- Dogs Entered in Preferred Classes Must Run in measured Height Division Must be moved up or down to proper height
 - Are You Entered In The Right Height? The Responsibility Is Yours.

MOVE UPS AND CLASS CHANGES

From Chapter 1, Section 20: Move-Up entries will be accepted for dogs that have completed a title after the closing date. Email notification of move up or class change is acceptable, with return receipt verification from the secretary. Either Move Up forms or emails must be completed and delivered to the Trial Secretary prior to 6 PM on the Monday evening preceding the event. Move-up entries for Saturday or Sunday must be delivered to the Trial Secretary within 30 minutes of the conclusion of judging of the class they are moving up from. Dogs so moved up will run at the end of the running order. Move-ups can only be accepted if judging limits are not exceeded.

Entry move-up valid only if the dog was already entered in the Event indicated and only if approved by the Trial Secretary. Dogs moved up will run at the end of the class running order.

Effective February 1, 2017

Regulations for Agility Trials: Chapter 1, Section 21. Change of Entry. In addition to Move-ups as described in Chapter 1, Section 20 entries may also be changed as noted in this section. A dog which has been entered in a Novice "A" class for which it is not eligible to be entered in due to class restrictions on the dog or handler may be moved to the Novice "B" class under the following conditions:

The request for the move must be in writing and presented to the superintendent or trial secretary at least 30 minutes prior to the start of each trial. The request must state the reason and justification for the move from a Novice "A" class to the Novice "B" class.

After the close of entries a dog may be moved down in their class level (i.e., Master to Excellent). The request for the move to the class for which the dog is eligible must be in writing and submitted to the superintendent or trial secretary at least 30 minutes prior to the start of the trial.

If a VMO or Field Representative at a trial measures a dog into a height other than what they entered, the entry may be changed from Regular to Preferred or from Preferred to Regular, as long as the dog has not run any classes that day. If the dog has already run, the change may be made for the next trial day(s). The exhibitor must provide the Trial Secretary the AKC Agility Measurement Form when requesting the class change.

COURSE FAMILIARIZATION & TIMING

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog. Umbrellas are not allowed on the course during the walk thru. Electronic timing devices may be used.

All dogs must be on leash at all times when on trial grounds except when in the designated warm-up area or competing on the course.

All regulations governing the use of this facility, and all regulations and decisions of the Event Committee at this trial will be strictly enforced, including and not limited to the recorded information of this premium list.

No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Event Committee.

Bitches in season are not permitted to compete in AKC Agility Trials. The Club will issue a refund for the trial entries, less a \$10.00/ entered day processing fee.

The club may retain a processing fee and must publish this information in the premium (no fee is paid to the American Kennel Club for females in season who are withdrawn)."

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or **back-to-back trials** only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners ProgramSM** may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
