If the trial committee determines that dogs in x-pens are barking excessively or exhibiting aggressive behavior, the owner must move the dogs to crates where they do not offend other exhibitors or their dogs in the arena or remove the dogs from the building.
- X-pens are allowed for 3 or more well behaved dogs. Horse stalls will be available for crating. Check for information at trial regarding availability.

COURSE FAMILIARIZATION, RUN ORDER CONFLICTS

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog. Umbrellas are not allowed on the course during the walk thru.

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. P.41 of the AKC Agility Guidelines Manual: Check-in Ringside: The gate steward shall keep a run order list ringside and use it as a check in list so that exhibitors can see how many dogs are before them and how many have checked in. The gate steward also makes any changes to this list due to exhibitor conflicts, per the judge's direction. Since dogs must run in catalog order except for those who have listed an approved conflict on the gate sheet, any dog not available for judging will forfeit its chance to compete. Approved conflicts are conflicts within a ring with multiple dogs, conflicts between multiple agility rings or conflicts with other venues on the same trial grounds.

A SPECIAL NOTICE TO ALL EXHIBITORS: There are several tight spaces, entrances/exits, and corridors at our site. Please remember to control YOUR dog at all times and respect the space of other dogs and exhibitors'. Situational awareness is imperative. Due to tight space in the building and around entrance/exit doors, all dogs must be on a six-foot or less lead, with retractable leashes in a locked position at a maximum six-foot length. Thank you all in advance for your cooperation with these requests'

From Chapter 1, Section 20: Move-Up entries will be accepted for dogs that have completed a title after the closing date June 23, 2017. Email notification of move up or class change is acceptable, with return receipt verification from the secretary. Either Move Up forms or emails must be completed and delivered to the Trial Secretary prior to 6 PM, July 3, 2017. Entry move-up valid only if the dog was already entered in the Event indicated and only if approved by the Trial Secretary. Dogs moved up will run at the end of the class running order.
Effective February 1, 2017
Regulations for Agility Trials: Chapter 1, Section 21. Change of Entry. In addition to Move-ups as described in Chapter 1, Section 20 entries may also be changed as noted in this section. A dog which has been entered in a Novice "A" class for which it is not eligible to be entered in due to class restrictions on the dog or handler may be moved to the Novice "B" class under the following conditions:
The request for the move must be in writing and presented to the superintendent or trial secretary at least 30 minutes prior to the start of each trial. The request must state the reason and justification for the move from a Novice "A" class to the Novice "B" class.
After the close of entries a dog may be moved down in their class level (i.e., Master to Excellent). The request for the move to the class for which the dog is eligible must be in writing and submitted to the superintendent or trial secretary at least 30 minutes prior to the start of the trial.
If a VMO or Field Representative at a trial measures a dog into a height other than what they entered, the entry may be changed from Regular to Preferred or from Preferred to Regular, as long as the dog has not run any classes that day. If the dog has already run, the change may be made for the next trial day(s). The exhibitor must provide the Trial Secretary the AKC Agility Measurement Form when requesting the class change.

We would love to have you join our club and enjoy our many activities, and help us organize our agility trials. For information please talk to Kathy Janda or Deb Lewis

REGARDING THE TRIAL and AKC MEASUREMENTS…

All exhibitors must check in before judging of your first class on the first day you are entered. Arm bands will be available by self-check in for all dogs/handlers who marked their entry form as having a Permanent or Temporary AKC Height. All dogs competing in agility must have a valid AKC Official Jump Height Card or form. If the dog does not have a valid Jump Height Card or form it must be measured by a VMO, AKC Field Representative or by the judge(s) of record before it runs. There will be VMOs present at this trial.

Dogs not required for further judging will be excused. Exhibitors are responsible for being at the ring when it is their turn to run. Exhibitors are required to wear the provided armbands.

Judges are not required to wait for dogs. They will adhere, as closely as possible, to the judging schedule. The owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The trial giving club and the trial secretary have no obligation or responsibility for providing service, through a public address system, or stewards, or runners, for the purpose of calling or locating dogs that are to be at ring side when required.

Complete information regarding AKC's Measurement Policy can be found at http://www.akc.org/events/agility/jump_height_card.cfm
