COURSE FAMILIARIZATION & TIMING

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog. Umbrellas are not allowed on the course during the walk thru.

Electronic timing devices may be used.

Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules/>

AFTER CLOSING DATE WAIT LIST

After the closing date, PDAC is offering a Wait List to fill openings created by withdrawn entries after closing. A maximum of 25 dogs per day will be placed on the wait list. All entries, including wait listed entries, must be received by the Trial Secretary prior to Wednesday, November 18, 2020 5:00 p.m. Any entries withdrawn prior to SUNDAY, November 29, 2020 at 5PM, will be replaced by a wait list entry when available. A full refund will be given to withdrawn entries when wait listed entries are available to replace the pulled entry. Any wait list entry that does not move off the wait list into the trial by November 29, 2020 5PM will receive a full refund.

REMIND

We will be using an app called "REMIND" to spread information during the trial, and release course maps. Information on signing up will be in the Final Confirmation documents. We STRONGLY encourage you to sign up.

PANDEMIC REVISION INFORMATION YOU NEED TO KNOW!

We are making revisions with the assumption that we will be limited to having 100 people in the building at any time. Of course, all of our plans hinge on the hope that the indoor arena at Douglas County Fairgrounds will be open. If it isn't open, we will again need to cancel at the last minute. I would like to start out by saying that neither I or Palmer Divide Agility Club or Douglas County Fairgrounds can guarantee your safety and good health. But we are making lots of adjustments to try to make it as safe as possible. I realize that some of these adjustments will be too much for some people, and not enough for others. The explanation that follows is how we intend to run this trial, and then it's up to you to decide if this trial is right for you to enter, or if it would be better for you to pass. That being said, we'd love to see you but realize that everyone needs to make their own decision on what is best for you. If the event must be canceled, entry checks will be shredded.

We are going to limit entries to 350 runs per day. We are going to have 2 rings, but only one judge. Friday and Sunday will be small to Tall and Saturday will be Tall to Small. We will start the day with Excellent/Master – they will run the Standard course, then move to Jumpers, when they are done they should leave. Then Open walks/runs both rings, then each jump height in Novice. When entries close, we will put together a schedule of when the walks for each class will start. The classes will not start before that time, so **don't show up ahead of schedule because you will not be allowed in the building unless you are working.** If you have dogs in different classes, we will try to accommodate your need to wait inside. This will depend on whether we are mandated to have 100 people or fewer in the building. If it's possible, you should spread yourselves out in the stands at least 4 rows back so you don't interfere with people who are in the classes that are running. We hope that you can wait in the building, but we can't guarantee it. We will post results outside, weather permitting. We will not be handing out the yellow copies of your score sheet. The app REMIND will also be used to distribute results. And results will be posted at www.lookoutk9trials.com after the event.

Basic Logistics: We will probably need to limit the crating along the front wall as well, but the plan is not set yet. Since we are limiting runs, and some may prefer to crate in their vehicles, there should be plenty of crating space. We will have food vendor. People are required to eat meals in bleachers appropriately distanced by 6' or more.

We will require you to wear masks at all times (completely covering your nose, mouth and chin) due to the Colorado State Mandate. Social distancing please! The club will have hand sanitizer available. We will periodically disinfect door handles, but please don't rely on this. **WASH YOUR HANDS**

Workers: We still will really need your help to staff the rings. It would be really helpful if you sign up to work both the standard and jumpers class right before or after the class you are entered in. And of course there is a special place in heaven for those of you who will stay and help us tear down. Special vouchers for tear down workers will be offered. We will limit the number of people who come for set-up. That will also be by sign-up. Since we shouldn't have conflicts, we will only have a Scribe and Timer at the table. Workers, please wear masks. We will have disinfectant and paper towels available to clean off the table between classes. We will bring an x-pen to put around the gate steward so we all remember to stay back. The club will provide disposable gloves for all workers and a reacher for the leash runner. There may be additional requirements that we have not yet considered, but this should give you a good idea of how the trial will look.

Wow! Too many rules, but we really do just want to provide as safe of an environment as possible while still getting out to play with our dogs. I for one have really missed our trials. Carole Evans, Trial Chair

OBSTACLES

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. All classes will take place indoors on a dirt surface. This trial will be held indoors, in two dirt rings, run concurrently.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

HEIGHT DIVISIONS

****Covid 19 restrictions may alter measuring requirements. Watch for updates. Currently, measurements are not mandatory.****

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Are You Entered In The Right Height?

	PREFERRED	Height at Withers
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers. Regular Dogs may not be entered in this height if they are 22 inches and under.
24C"	n/a	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

• **All Measurements Are Effective Immediately**

Exception: Challenge Measurements to Permanent Jump Height Become Effective when Challenge Measurement Process is Complete (see Regulations)

- Dogs Entered in Preferred Classes Must Run in measured Height Division Must be moved up or down to proper height
 - **Are You Entered In The Right Height? The Responsibility Is Yours.**

EXHIBITOR INFORMATION

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The PALMER DIVIDE AGILITY CLUB and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The PALMER DIVIDE AGILITY CLUB reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the PALMER DIVIDE AGILITY CLUB or any official thereof.

All dogs must be on leash at all times when on trial grounds except when in the designated warm-up area or competing on the course.

All regulations governing the use of this facility, and all regulations and decisions of the Event Committee at this trial will be strictly enforced, including and not limited to the recorded information of this premium list.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or **back-to-back trials** only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners ProgramSM** may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

SIGNATURE of owner or his agent duly authorized to make this entry.
