COURSE FAMILIARIZATION & TIMING

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog. Umbrellas are not allowed on the course during the walk thru.

Electronic timing devices may be used.

Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules/>

After the closing date, MHGRC is offering a Wait List to fill openings created by withdrawn entries after closing. A maximum of 25 dogs per day will be placed on the wait list. All entries, including wait listed entries, must be received by the Trial Secretary prior to Friday, June 16, 2023 8:00 p.m. Any entries withdrawn prior to SUNDAY, June 25, 2023 at 5PM, will be replaced by a wait list entry when available. A full refund will be given to withdrawn entries when wait listed entries are available to replace the pulled entry. Any wait list entry that does not move off the wait list into the trial by March 25, 2023 5PM will receive a full refund.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Fix and Go On

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

FEO OFFERED AT THIS EVENT PER AKC RULE COMPLIANCE

FEO is only allowed in the Time 2 Beat classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B. Participation in FEO is non-qualifying.

OBSTACLES

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. All classes will take place indoors on a dirt surface. This trial will be held indoors, in two dirt rings.

AWARDS

Placement Ribbons will be awarded for the first through fourth place in each height division of each class for Standard Agility Classes and Jumpers with Weaves classes.

First Place	Blue Ribbon
Second Place	Red Ribbon
Third Place	Yellow Ribbon
Forth Place	White Ribbon

A green qualifying ribbon will be given to all qualifying dogs. Dogs must receive a qualifying score to receive placement awards.

SPECIAL AWARDS

The following will also be awarded at our trials.

Titling Ribbons

MACH or PACH Titling Rosette and MACH or PACH Bar (all MACH/PACHs)

Dogs earning MACH1 or PACH1 will receive a personalized Rosette from MHGRC.

Owners must fill out dog's information accurately at the Secretary's Office/Table. Any dog receiving a MACH or PACH that is beyond their first title will receive a non-personalized MACH/PACH Rosette.

Delivery of personalized rosettes will be arranged after completion, and optimally delivered by hand at a future trial.

All prizes must be claimed the day of the trial. None will be mailed.

HEIGHT DIVISIONS

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Are You Entered In The Right Height?

	PREFERRED	Height at Withers
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers. Regular Dogs may not be entered in this height if they are 22 inches and under.
24C"	n/a	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

• All Measurements Are Effective Immediately

Exception: Challenge Measurements to Permanent Jump Height Become Effective when Challenge Measurement Process is Complete (see Regulations)

- Dogs Entered in Preferred Classes Must Run in measured Height Division Must be moved up or down to proper height
 - Are You Entered in The Right Height? The Responsibility Is Yours.

In such case, no refund of any fees paid will be made. The Mile-Hi Golden Retriever Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The Mile-Hi Golden Retriever Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the Mile-Hi Golden Retriever Club or any official thereof. All dogs must be on leash at all times when on trial grounds except when in the designated warm-up area or competing on the course. All regulations governing the use of this facility, and all regulations and decisions of the Event Committee at this trial will be strictly enforced, including and not limited to the recorded information of this premium list. INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners ProgramSM may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

SIGNATURE of owner or his agent duly authorized to make this entry.
