INSTRUCTIONS

Exhibitors may handle only 1 dog in an element in each trial.

Chapter 2, Section 2. Class Eligibility.

- Novice A Classes are open to dogs who have not completed any title for that particular element, who have not completed a comparable title with another organization, and who have never worked as professional detection dogs.
- Novice B Classes are open to all dogs.

Chapter 6, Section 8. High in Trial. If a club offers more than one element of a particular difficulty level, they are eligible to confer High in Trial awards. Only teams who participate in the same difficulty level in all elements offered, and qualify in each, are eligible to win High in Trial. The High in Trial is determined by adding a team's faults across the elements. The team with the fewest faults will be declared High in Trial. If there is a tie based on faults, then the teams' times across the elements will be summed, and the faster-finishing team will win. If there is a tie after considering both faults and time, a coin-flip will determine the High in Trial. There shall be one High in Trial winner for each difficulty level offered.

SIGNATURE of owner or his agent duly authorized to make this entry.
