UKI TRIAL INFORMATION YOU MAY FIND HELPFUL....

Measuring

All dogs not jumping full height must be measured by a judge or approved UKI measurer to determine the dog's jump height. To receive a permanent jump height measurement, dogs must either be competing at 24 or 22 inch jump height (20 inch Select Option) or must be two years of age for their permanent measurement. Dogs will be measured using official measuring devices while the dog is placed in a standing position on a flat surface such as a table. The measurement is taken from the perpendicular line from the top of the dog's withers to the flat surface. At the time of measuring, the measurement will be recorded and sent to the UKI office. If the dog is age two or over, the dog will only need one measurement. If there is controversy over a dog's measurement then an appointed UKI official shall re-measure the dog's height, which will be the determining measurement.

If a handler has an actual written measure from another organization and presents that card to the measurer that day, UKI will grandfather and accept that as the measure for the dog provided that measure is not within 1/8 inch (3mm) of a UKI jump height cutoff.

Course Walk Throughs

It is the competitor's responsibility to be aware of what is happening in the rings and be ready for your course walk throughs. All jump heights will walk at the same time. For example when the Novice Speed Stakes course is up for walking – all heights, including the Select Options will walk.

Call Sheets- Each class will have call sheets located at the ring. Please check in for your class by ticking your name only when you have walked the course.

Running

It is the competitor's responsibility to know what is going on in the ring. When your jump height is running in your class you must be ready to run.

MOVING UP

Beginners to Novice – Equivalent of 3 clear rounds (12 points, 8 from agility)

Novice to Senior – Equivalent of 5 clear rounds (20 points, 12 from agility, 4 from jumping, 4 from games)

Senior to Champ – Equivalent of 9 clear rounds (36 points, 12 from agility, 12 from jumping, 12 from games)

UKI does next day move ups!

If you gain enough points on at a trial, you must move up to the next level on the next day or trial. If it is the second day of a trial, please see the trial secretary to fill out a move up form.

Training Rounds – Not for Competition (NFC)

You may opt to make any run you have signed up for a “NFC” training Round for which you may bring in a non-audible toy into the ring. You may not use any food or clickers! You must state NFC prior to entering the ring. The Scribe will write NFC across your scribe ticket, and notify the judge. You will be given the course time to do what you wish. Listen out for the timer to yell “Time!” – You must immediately exit the ring – please stop the finish timing if electronic timing is used.

If you do not notify the judge and scribe ahead of time that you are doing NFC, you will not be able to not turn your run into a training round if you are faulted on course. Repeating any piece of equipment will be deemed training and the judge will ask you to leave the ring immediately if you do this.

Conflicts

If you have a conflict you must put a C beside your name to indicate this. We will make every effort to work you in prior to the class being closed out. If you do not pre check in, the class will close without you being able to run. So be sure to check in when you walk through!!!!

Results

Once you have run, your scribe sheet will be sent to the scoring table. It is important that you check your scored result to be sure you agree with your result. If you think there is a problem, you will need to speak to the judge before he or she forgets your run. The judges' decision is final, so if you wait and the judge cannot remember your run, the scribe sheet will stand. Please remember that if the judge disagrees with you once you have stated your case, you must be a good sport and remember that the judge is only human and judging is still subjective. You will win some and you will lose some, but again the judges' decision is final.

Once all the heights within a class are finished, the results will be submitted to the show secretary by either downloading from computer scoring, or hand written results sheets, for sorting of level points and reading out for prize givings. The results will then be available for viewing by all competitors.
