## MOVE UPS

It is the option of the club to allow day-to-day move-ups. Exhibitors should refer to a club's premium list to verify the club's policy for moving a dog up. If offered, dogs shall be moved up to a higher class at the request of the owner, as a result of the dog qualifying for an agility title. The request for moving up must be made to the Trial Secretary according to the club's published policy. All move-up entries are subject to availability of the class and payment of any difference in entry fee. Dogs so moved-up will be entered at the end of the running order. Refer to Chapter 1, Section 20 of the Regulations for Agility Trials

for additional move-up requirements. After the close of entries a dog may be moved down in their class level (ie, Master to Excellent). The request for the move to the class for which the dog is eligible must be in writing and submitted to the superintendent or trial secretary at least 30 minutes prior to the start of the trial. Individual judging limits may be exceeded only when the Club accepts move ups, or when accepting wait listed entries after closing.

## WAIT LIST FOR WITHDRAWN ENTRIES

Since there are no dogs on a waiting list, there are no post-closing entry pulls or refunds after the closing date.

## CONFLICTS

Some ring conflicts are unavoidable and as is customary, please indicate with a "C" next to your dog's name/number on the gate sheets. Judges will determine which ring takes precedence and that will be announced. Ring conflicts must be handled at ringside with the approval and consent of the gate steward and judge for that ring. In addition, should an entire class conflict, there could be a 'hold' on one ring while the affected group completes the other ring. PDAC thanks all exhibitors for their patience. Please attempt to walk your course during a scheduled time period. If you are running in a different ring during your walk through, please walk with a different group and run with that group.

## REGARDING THE TRIAL and AKC MEASUREMENTS...

All exhibitors must check in before judging of your first class on the first day you are entered. All dogs competing in agility must have a valid AKC Official Jump Height Card or form. If the dog does not have a valid Jump Height Card or form it must be measured by a VMO, AKC Field Representative or by the judge(s) of record before it runs. [There will be VMOs present at this trial.](#)

Armband stickers will not be used at this trial. Exhibitors will check in on Gate Sheets at the trial.

Dogs not required for further judging will be excused. Exhibitors are responsible for being at the ring when it is their turn to run.

Judges are not required to wait for dogs. They will adhere, as closely as possible, to the judging schedule. The owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The trial giving club and the trial secretary have no obligation or responsibility for providing service, through a public address system, or stewards, or runners, for the purpose of calling or locating dogs that are to be at ring side when required.

Complete information regarding AKC's Measurement Policy can be found at [http://www.akc.org/events/agility/jump\\_height\\_card.cfm](http://www.akc.org/events/agility/jump_height_card.cfm)
