Running Order: If possible, dogs are to be run in the order posted. Volunteers will run first in each class. If there is a conflict between classes, mark the check-in sheet at the Gate with a “C” by your name. If your conflict involves Handler Discrimination, please run Handler Discrimination first. If you have a conflict with another class, other than HD, please run first in the class that has the least number of exhibitors remaining to run to minimize delays in closing out classes. Once you are ready to run in the conflicting class, notify the Gate Steward that you are available so they can insert you back into the running order.

You are responsible for knowing when it is your turn to run and being ready to go. If you are not ready to move to the search area when your number is called, the next available exhibitor will be called. Gate Stewards will not wait for - or go looking for exhibitors. When you become available, the steward will insert you into the running order as appropriate. It may be at the end of the class.

Move Ups: The request for a Move-up or a lateral transfer must be in writing and presented to the trial secretary at least 30 minutes (6:30 AM day of trial) prior to the start of each trial. Transfers may be approved provided the class is available and the judge has not reached her limit.

Withdrawal from Trial - Wait List: There are no wait listed entries at closing, as such no entry pulls are available for this event.
