COURSE FAMILIARIZATION & TIMING

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog. Electronic timing devices may be used.

OBSTACLES

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. All classes will take place indoors on a turf surface.

ARMBAND STICKERS WILL NOT BE USED FOR THIS EVENT.

HEIGHT DIVISIONS

If a VMO or Agility Field Representative is measuring dogs at a trial, all present and entered dogs without a valid measurement must be measured.

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/measured by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. If a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog measured by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor’s responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Are You Entered In The Right Height?

REGULAR	PREFERRED	Height at Withers
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers. Regular Dogs may not be entered in this height if they are 22 inches and under.
24C"	n/a	Dogs may be entered at this height at their owner’s discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

If a VMO or Field Representative at a trial measures a dog into a height other than what they entered, the entry may be changed from Regular to Preferred or from Preferred to Regular, as long as the dog has not run any classes that day. If the dog has already run, the change may be made for the next trial day(s). The exhibitor must provide the Trial Secretary the AKC Agility Measurement Form when requesting the class change.

• All Measurements Are Effective Immediately

Exception: Challenge Measurements to Permanent Jump Height Become Effective when Challenge Measurement Process is Complete (see Regulations)

• Dogs Entered in Preferred Classes Must Run in measured Height Division Must be moved up or down to proper height

- **Are You Entered in The Right Height? The Responsibility Is Yours.**

EXHIBITOR INFORMATION

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The American Rottweiler Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The American Rottweiler Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the American Rottweiler Club or any official thereof.

All dogs must be on leash at all times when on trial grounds except when in the designated warm-up area or competing on the course.

All regulations governing the use of this facility, and all regulations and decisions of the Event Committee at this trial will be strictly enforced, including and not limited to the recorded information of this premium list.

Puppies under 4 months of age are prohibited at AKC Agility Trials.

This club does not agree to arbitrate claims as set forth on the Official AKC entry form for this event.

ENTRY ELIGIBILITY

This trial is open to all dogs 15 months or older that are registered with the American Kennel Club or have obtained an AKC ILP/PAL number. Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number (in trials allowing mixed breed entries) must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes. Canine Partners are allowed entry into this set of trials.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Event Committee.

No refunds for overpayment of \$10.00 or less.

Change of judge, after the distribution of the premium list, if the judging assignment changes, an exhibitor has the right to request a full refund of their entry fees for any class affected. Exhibitors must submit requests in writing to the Trial Secretary a minimum of 30 minutes preceding the start of the event on the first day the exhibitor is entered.

Bitches in season are not permitted to compete in AKC Agility Trials. The Club will issue a refund for the trial entries, less a \$10.00/ entered day processing fee.

Chapter 1, Section 9 of the [Regulations for Agility Trials](http://images.akc.org/pdf/rulebooks/REAGIL.pdf), <http://images.akc.org/pdf/rulebooks/REAGIL.pdf>, states, "Females in season must be fully refunded if withdrawn by the Trial Secretary after closing and no later than one half hour prior to the start of the first class of the day of the trial. The club may retain a processing fee and must publish this information in the premium (no fee is paid to the American Kennel Club for females in season who are withdrawn)."

RINGSIDE

Dogs may arrive any time prior to judging. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured (when available) prior to running. All dogs not needed for further judging will be excused.

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required. Food service nearby.

PARKING

Exhibitors are governed by any rules or regulations of civil authorities and building and parking regulations. Vehicles parked contrary to regulations will be subject to towing at owner's expense.

PLEASE NOTE: A limited number of handicap spaces are available. They will be available on a first-come basis. A valid handicap plate must be on each vehicle using these spaces. THESE SPACES WILL NOT ACCOMMODATE MOTOR HOMES.

Entering For Exhibition Only (FEO)

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
 - o Toys must be non-audible
 - o Toys may not leave the handler's hand
 - o Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On (FNG)

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FAST CLASSES

Beginning January 3, 2017 the FAST Class has been revised allowing clubs to offer one course that Novice, Open and Ex/Masters can walk and compete in. The goal is to reduce the amount of time that it takes to build separate courses and do multiple walk-throughs. All FAST levels may be combined for single course build and walk through (as entry limits prohibit).

OFFICIAL AMERICAN KENNEL CLUB AGILITY TRIAL MOVE-UP FORM USE THIS FORM ONLY TO MOVE UP TO A HIGHER AGILITY CLASS

It is the option of the club to allow day-to-day move-ups. From Regulations for Agility Trials Chapter 1, Section 20: Move-Up entries will be accepted for dogs that have completed a title after the closing date. Email notification of move up or class change is acceptable, with return receipt verification from the secretary. Either Move Up forms or emails must be completed and delivered to the Trial Secretary prior to 6 PM on the Monday evening preceding the event. Move-up entries for Saturday or Sunday must be delivered to the Trial Secretary within 30 minutes of the conclusion of judging of the class they are moving up from. Dogs so moved up will run at the end of the running order. Move-ups can only be accepted if judging limits are not exceeded.

Entry move-up valid only if the dog was already entered in the Event indicated and only if approved by the Trial Secretary. Dogs moved up will run at the end of the class running order.

Chapter 1, Section 21. Change of Entry. In addition to Move-ups as described in Chapter 1, Section 20 entries may also be changed as noted in this section. A dog which has been entered in a Novice "A" class for which it is not eligible to be entered in due to class restrictions on the dog or handler may be moved to the Novice "B" class under the following conditions:

The request for the move must be in writing and presented to the superintendent or trial secretary at least 30 minutes prior to the start of each trial. The request must state the reason and justification for the move from a Novice "A" class to the Novice "B" class.

After the close of entries a dog may be moved down in their class level (i.e., Master to Excellent). The request for the move to the class for which the dog is eligible must be in writing and submitted to the superintendent or trial secretary at least 30 minutes prior to the start of the trial.

Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only.

Dogs listed in the AKC Canine Partners ProgramSM may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

SIGNATURE of owner or his agent duly authorized to make this entry.
