## **MOVING UP**

Beginners to Novice – Equivalent of 3 clear rounds (12 points, 8 from agility)

Novice to Senior – Equivalent of 5 clear rounds (20 points, 12 from agility, 4 from jumping, 4 from games)

Senior to Champ – Equivalent of 9 clear rounds (36 points, 12 from agility, 12 from jumping, 12 from games)

UKI does next day move ups!

If you gain enough points on at a trial, you must move up to the next level on the next day or trial. If it is the second day of a trial, please see the trial secretary to fill out a move up form. You will then need to fill in your scribe sheets for the new level for the classes you are entered in for that next day.

## **TRAINING ROUNDS – NOT FOR COMPETITION (NFC)**

You may opt to make any run you have signed up for a “NFC” training Round for which you may bring in a non-audible toy into the ring. You may not use any food or clickers! You must state NFC prior to entering the ring. The Scribe will write NFC across your scribe ticket, and notify the judge. You will be given the course time to do what you wish. Listen out for the timer to yell “Time!” – You must immediately exit the ring – please stop the finish timing if electronic timing is used.

If you do not notify the judge and scribe ahead of time that you are doing NFC, you will not be able to not turn your run into a training round if you are faulted on course. Repeating any piece of equipment will be deemed training and the judge will ask you to leave the ring immediately if you do this.

## **Conflicts**

If you have a conflict you must put a C beside your name to indicate this. We will make every effort to work you in prior to the class being closed out. If you do not pre check in, the class will close without you being able to run. So be sure to check in when you walk through!!!!

## **Results**

If you think there is a problem, you will need to speak to the judge before he or she forgets your run. The judges’ decision is final, so if you wait and the judge cannot remember your run, the scribe sheet will stand. Please remember that if the judge disagrees with you once you have stated your case, you must be a good sport and remember that the judge is only human and judging is still subjective. You will win some and you will lose some, but again the judges’ decision is final.

Once all the heights within a class are finished, the results will be submitted to the show secretary by either downloading from computer scoring. The results will then be available for viewing by all competitors.
